

Where You and Your Skin Matter

A Message from Dr. Martin ...

As a board certified dermatologist, I believe that great skin starts with understanding your unique needs and using the right products to support its health and beauty. That's why I'm excited to introduce our carefully curated skincare menu, which includes professional grade treatments and products designed to enhance your natural beauty, address specific concerns, and protect your skin from daily stressors.

I have selected each product and service for its proven effectiveness in promoting skin health. Whether you're looking to target fine lines, reduce pigmentation, or simply keep your skin hydrated and healthy, we have a solution for you.

Your skin is one of a kind, and it deserves the best care possible. Let us guide you on the path to healthier, more radiant skin with treatments tailored to your needs. We are here to help you achieve your skincare goals and answer any questions you may have.

Thank you for trusting us with your skin. We look forward to helping you look and feel your best.

Where You and Your Skin Matter

Facials

PURE Brightening Facial 60 minutes - 148

This luxury treatment refines and restores radiance. This facial includes deep cleansing, exfoliation, masque with massage and medical grade serums. The Pure Brightening Facial will be customized to your skin's needs.

PURE Acne Facial 60 minutes - 158

This facial includes deep pore cleansing, exfoliation and extractions. The PURE Acne Facial is a gentle treatment that can be customized for Accutane patients.

PURE Back Facial 50 minutes - 138

A treatment for the hard-to-reach areas of the back. Includes cleansing, exfoliation, extractions and a masque. The PURE Back Facial will give your back the TLC it's been needing!

PURE Express Acne Facial 45 minutes - 92

This facial is perfect for patients who struggle with acne, but want to skip the traditional facial experience.
*No massage is included.
*Focuses on extractions and cleansing.

Treatments

Dermaplane Treatment 30 minutes - 79

This procedure gently exfoliates the skin while removing the fine vellus hair for a smoother, more radiant complexion.

Diamond Glow Treatment 224

Diamond Glow is a non-invasive, three-in-one skin resurfacing treatment that exfoliates, extracts and infuses the skin with medical grade serums simultaneously.

SkinPen Microneedling 362

SkinPen creates thousands of micro-channels in the skin to elicit your body's natural wound healing process. SkinPen remodels the tissue resulting in new collagen and elastin, giving skin a younger, firmer, more radiant appearance.

Diamond Glow Back Treatment 224

All the goodness of Diamond Glow, but for the back!

Duo Diamond Glow Treatment 403.20 (savings of \$44.80)

Diamond Glow treatment for the face and back. Glow all around with radiant skin.

SkinMedica Chemical Peels 112, 151, 191 (3 Levels of Peels)

For aging, mild discoloration, acne, fine lines & wrinkles. Lactic and glycolic acid will resurface the skin with minimal downtime, revealing radiant glowing skin.
